COMMUNITY ARTIST GRANT - Finalists (2nd Round)
RFP Preview Narrative Questions

Please note, applications must be submitted through our online google form. Applications will not be accepted in any other format (i.e. email, mail, etc.). *Please use this document as a preview of what to expect and/or a way to easily download the questions to your computer to answer the questions offline.*

Project Title:

Artist Bio (1000-character limit):

Project Overview (300-character limit):

Project Detail: Describe the project you are proposing and how you will activate downtown. What will success look like? How will you **build bridges** in the community? (2,000-character limit)

Engagement: What are your plans for engaging community members and encouraging public participation in the artistic process and/or presentation of this project? How do you hope to see the public interact with your project? (2,000-character limit)

Collaboration: Tell us how you have worked with community partners in the past projects. How did you successfully collaborate with organizations and individuals to create artwork? (2,000-character limit)

Timeline and Execution: Please provide a detailed work plan and timeline for the proposed project. What additionally would you need from the Arts + Culture Alliance for this project to be successful (including studio space, marketing, communications, etc.)? (2,000-character limit)
